BedVoyage Travel Pillowcase Offers Health-Conscious Travelers the Perfect Solution

SEATTLE, Wash., July 15, 2009—[BedVoyage](http://www.BedVoyage.com), an eco-friendly home-lifestyle brand, announces a new line of travel accessories that includes an invisible-zippered, logo embroidered travel pillowcase for the health-conscious traveler. Designed for those who want protection from the grime and germs found on high traffic surfaces in commercial aircraft, trains, buses, ferries, rental cars and other public areas, BedVoyages' Zippered Travel-Size Pillowcase is made from organic bamboo fabric.

"BedVoyage products provide comfort for the health-conscious traveler," said company founder and CEO, Sharon Stuart. "There is a big demand for state-of-the art, high quality, eco-conscious products; we want to offer our customers the best the marketplace has to offer."

BedVoyage's Zippered Travel-Size Pillowcase is made from 100% organic bamboo fiber that blocks all micro toxins, such as dust mites, mold spores, pollen and pet dander. Travelers purchasing this new pillowcase will rest easier, knowing that they can insert the pillow option of choice (inflatable, tempurpedic, foam, goose down, synthetic down, etc.) and encase it with the BedVoyage Zippered Travel-Size Pillowcase, which can be easily removed for washing after each use.

Bamboo fiber is naturally antifungal and antibacterial due to an inherent property known as "bamboo kun." One hundred percent bamboo fiber exhibited a 99.8% kill rate after a 24 hour incubation period, according to a study done by the China Industrial Testing Center (CTITC) in July of 2003. In a similar study performed by the Japan Textile Inspection Association (JTIA), results showed that bamboo fabric has antibacterial efficacy greater than 70% after 50 industrial washings.

The easy to care for BedVoyage Zippered Travel-Size Pillowcase can be washed in cool water using mild detergent. Tumble dry on low and iron on low if desired.

The bamboo leaf green, invisible-zippered, logo embroidered pillowcase measures 11"x17"x3" and can be purchased for \$19.00 online at www.BedVoyage.com.
