## **Madina Vadache Unveils Spring 2009 Collection: Liquid Dreams**

Seattle, WA – August 19, 2008 – Renowned international contemporary Fashion Designer Madina Vadache is excited to announce her upcoming Spring 2009 collection Liquid Dreams. Vadache will unveil the collection at the upscale Lumen Residential Building in Seattle's Queen Anne neighborhood on Thursday, September 18, 2008 at 7:30pm. The event is scheduled in September in order to coincide with the international Fashion Weeks in Milan, Paris and New York to convey the significance of Madina's collection and launch.

The collection will showcase Madina's signature blend of powerful femininity, urban edginess and elegance with inspiration taken from the beauty of a skyline's natural soft hues and the way they're illustrated in the paintings of Canadian artist Virginia Howlett. Madina's designs on the runway will express the power of her vision and her belief in the art of fashion.

Tickets are available now and can be purchased by calling 206.467.1000 or by email at [Beauty&Fashion@AgelessInSeattle.com](mailto:Beauty&Fashion@AgelessInSeattle.com).

"I am thrilled to present my Spring 2009 collection and feel it will be our most magnificent showcase yet," Vadache said. "I was so inspired by the striking subtleties of the colors in the sky and am excited to see the shimmering translation on stage. In addition, I will show black pieces that are a must-do for all wardrobes."

Since her debut in 1997, Madina's innovative vision of creating classic yet distinctively progressive designs has led to success for all of her lines including her bridal, eveningwear and ready-to-wear collections. She has received outstanding acclaim for her work since the inception of her first collection, which was met with enthusiastic reviews for her inherent attention to detail and inventive use of luxury textiles.
