**THE WAX BAR Offers New Alternative To Happy Hour:  
A Rip And A Sip**

Seattle, WA – August 14, 2008 – Due to high demand and popularity, The Wax Bar will have rotating Happy Hour Specials which include discounts on their premium waxing services. With the success of their initially interim Happy Hour Specials, The Wax Bar will now offer specials throughout the year with modifications made according to seasonal changes.

A recent Happy Hour Special included \$9 waxing treatments for feet and toes and \$15 waxing for underarms and brows to get ready for summer. The specials run Tuesday through Friday from 1:00pm to 3:00pm.

The Wax Bar is the only spa in Seattle to have a tavern's license permitting them to sell specialty beer to guests and allowing them to relax with friends before having one of the premium services offered. In addition to the sleek Miami Beach style setting of an all white interior with turquoise accents, the staff of highly trained professionals help create a welcoming environment.

The Wax Bar is excited to have their Happy Hour Specials offered year-round for their guests to enjoy. With all of the wonderful feed back they've received they felt it was important to provide the specials on more than just a temporary basis.

The specials will typically run for two to three month intervals and will usually vary only slightly in price and variation according to the type of service.
